JLIC, a partnership between The Orthodox Union & Hillel, places an Orthodox Rabbinic couple to serve as Torah educators within the Hillels on college campuses across America.

Now on twenty-two campuses in North America, the JLIC educators strive to enhance the learning opportunities available to students, and also to bolster an infrastructure for Orthodox life to flourish. JLIC sponsors, organizes, & runs Shabbatonim, Onegs, Shabbos & Yom Tov programming, classes, shidduchim, trips, & other activities for Jewish students.

The Boshnacks have taught over 150 Chatanim & Kallot & continue to have relationships with them till today. Through JLIC's programming over the past seven years, more than 25 couples have met & married. Through the Boshnack's Minyan at the Kingsway Jewish Center students connect to Tefillah Btzibor in a warm & welcoming environment.

Shira & Reuven are there for their current students & alumni, as a source of guidance, support, and inspiration.

*We would like to thank Breadsmith, Ready to Roll & all the other establishments who will be donating food for the auction
